**Re: The Professionals for Lifeline and Link-Up Reform  
Correction to Ex Parte Presentation – WC Docket No. 11-42, CC Docket No. 96-45, and WC Docket No. 03-109**

Dear Ms. Dortch:

Earlier today, the undersigned counsel submitted an ex parte filing in these proceedings concerning the proposal of the Professionals for Lifeline and Link-Up Reform (“PLLR”)<sup>1</sup> to facilitate the adoption and implementation of a low income database for the Lifeline and Link Up programs (“Lifeline/Link Up”). At the request of Commission staff, I correct the ex parte filing as follows. First, the workshop that was held on June 13 and 14, 2011 on the development of the database was convened by FCC staff and was not a Commission-authorized event. Second, the invitation to all workshop participants and other interested parties to participate in developing an industry recommendation was sent by Emerios.

<sup>1</sup> The PLLR consists of CGM, LLC; CompTel; DPI Teleconnect; Emerios, a division of VMBC Corporation; Global Connections, Inc.; Image Access, Inc.; i-wireless, LLC; Midwestern Telecom, Inc.; Stand Up Wireless, LLC; TAG Mobile, LLC; Telrite, d/b/a/ Life Wireless; Terracom, Inc.; TracFone; West Corporation; and YourTel America.
